The Secret Concentration Camp Diary of Odd Nansen

Hailed by *The New Yorker* as “among the most compelling documents to come out of the war,” *From Day to Day* is a World War II concentration camp diary—one of only a handful ever translated into English—secretly written by Odd Nansen, a Norwegian political prisoner. Arrested in January 1942, Nansen, son of polar explorer and humanitarian Fridtjof Nansen (Nobel Peace Prize 1922) was held captive for the duration of the war in various Nazi camps in Norway and Germany. Nansen’s diary entries detail his palpable longing for his wife and family, his constantly frustrated hopes for release, and his horror at the especially barbaric treatment reserved for the Jews. The diary brilliantly illuminates Nansen’s daily struggle, not only to survive, but to preserve his sanity and maintain his humanity in a world engulfed by fear and hate.

Saturday, October 21, 2017

4 to 6 pm

\$20 in advance, \$25 at the door

Madison Ambulance Corps

29 Prospect Street, Madison, NJ 07940

You are cordially invited to join the non-profit Friends of The Adult School at The Adult School's 80th Anniversary Gala benefit to be held from 4 to 6 pm, Saturday, October 21st, at the Madison Ambulance Corps building located on Prospect Street in Madison. The celebration will include wine and beer, a variety of delicious hors d'oeuvres prepared by the Catering Department of Madison's Thursday Morning Club, and several raffle opportunities. Members of the Adult School Jazz Band will provide background music. The Gala is open to adults from all communities. Proceeds will be used to support The Adult School.

The Adult School History

The Adult School has provided exceptional learning opportunities since its founding in 1937 during the midst of the Great Depression. Courses offered in its early years and through those of World War II included a variety of classes such as knitting, sewing, typing, creative writing, and Italian. As times and the needs of society changed, so did the Adult School offerings. Today's catalog features over 300 classes including painting, computers, a variety of languages, health and fitness, finance, music and trips. Special emphasis has been placed on meeting the needs of those whose first language is not English. Thanks to generous grants from community organizations such as the Madison Rotary, Inverstors Foundation and the Madson Elks Lodge, over 400 people have been able to take English as a Second Language at little or no cost.

Donations Are Welcome

The Adult School is a non-profit organization that receives no guaranteed outside financial funding. Trade and Politics

The U.S. political mood toward trade has gone sour. One need look no further than the 2016 presidential contest for the popular narrative: trade means that China wins, at America's expense.
