BU 107 LAUNCHING A HOME BASED BUSINESS \$45.00 per person
HOME BASED BUSINESS FOR CONSULTANTS, SENIORS & STAY-AT-HOME MOMS:

Instructor: Vicki Lynne Morgan

Not ready to retire? Looking for a flexible lifestyle? Hate commuting? Want to be home with your children? Launching a legitimate home-based business may be the answer. This program will give you the know-how to get started including: the pros and cons of entrepreneurship, key elements of a business plan, steps to set up a legal entity, where to find free help and support to launch and grow your business, what to expect in the home-based environment, pricing strategies, and tips for identifying and reaching your target market. This class will help you explore the know-how to get started. \$5.00 materials fee payable to the instructor.
