

ACADEMY PROGRAM EXTENSION

This year, for the first time, we are offering intermediate/advanced students the opportunity to attend an additional two-week session working on skills to support solo and ensemble Chamber Music performance. This session will begin on July 27 and conclude with a performance on August 7, 2015.

The extension program will run from 9 a.m.-12 noon each morning. Students will receive an extra lesson each morning and will participate in small Chamber Music ensembles in order to prepare for a culminating performance. Students who are preparing pieces for recitals or Region/All-State performances will have the opportunity to work on them with their teachers.

Those students who have elected a second instrument may be able to continue at 8 a.m., as long as a teacher is available to work with them. There will be no extra charge for these additional lessons.
