

SUNRISE (Before school)/SUNSET (After school)

SUNRISE and **SUNSET** are operated by the Morris School District Community School. Child care programs are open to district students in grades K-5. Sunrise and Sunset provide a safe, supportive, supervised environment for children while parents are at work. Supervision is provided by certified teachers or experienced adults assisted by mature, trained aides. The programs meet each day school is in session.*

●**SUNRISE ACTIVITIES:** 7:00AM to start of school: breakfast, quiet games, transportation to appropriate schools (if necessary). If minimum enrollment is not met, program will be held at the "Sister" school.

●**SUNSET ACTIVITIES:** Dismissal to 6:30PM: physical activities, homework, study, healthy snacks, enrichment activities and relaxation.

This Sunrise/Sunset application packet provides you with all forms and information needed to register your child for these programs. All students must have a complete application packet on file with the Community School to start the program.
