# CHILDREN'S SUMMER PROGRAM

## HELPFUL HINTS FOR REGISTERING

- South Orange Middle School is the camp site for most children's classes this summer. The school is located at 70 N. Ridgewood Rd., South Orange.
- There are two sessions. Decide if you want Session I (July 1-July 12), Session II (July 15-July 26), or both.
- Look for classes that include the grade your child **will enter** in September 2013.
- Decide how many classes you want your child to take. There are five periods between 8:45 a.m. and 2:40 p.m. Your child may attend all five periods, including lunch, or attend for part of the day. Please note that most classes in Session II are a repeat of classes from the first session.
- Use the pull-out schedule to plan your child's day. Classes on the schedule are also listed alphabetically with descriptions on p. 3-7.
- When you have made your choices, fill in the registration form (opposite page). The top form is for Session I and the bottom form is for Session II. Make copies of the form to enroll additional children.
- Please make two copies of the registration form. Keep one and mail in the other. **Your child should bring a copy of the schedule to camp every day.** Include a self-addressed stamped envelope and we'll send you a confirmation of your registration.
- Relax. Our caring staff and teen counselors, known as "Yellow Shirts," will carefully supervise your children.

## REGISTRATION INFORMATION

- Registrations are accepted by MAIL ONLY until May 17 and are **processed in the order in which they are received.** From May 17 on, registrations will be taken both by mail and in person at the Adult School office, Room A110, Columbia High School, 17 Parker Avenue, Maplewood. The office is open weekdays, 10am-4pm.
- Exceptions: No in-person registrations will be taken on June 28 and July 12, and before noon on July 1 and July 15.
- We shall notify you **only** if your child does not get into his/her first choice classes **unless** you include a self-addressed stamped envelope to receive confirmation of your registration.
- Camp is closed on Thursday, July 4th.
- **Offsite Sports Camps:** Students should be dropped off at their off-site sports camps in the morning. Depending on location, students who have afternoon classes will walk with counselors or be transported by bus back to South Orange Middle School. The exception is Fencing Camp, for which we provide no transportation.
- **Before and After Care is Available.** There is no Early Morning Drop-Off for campers enrolled in offsite Sports Camps and no After-Care for campers enrolled in afternoon Scionsational Workshops.
- **Drop Off & Pick Up:** For the safety and proper supervision of our campers, all drop-off and pick-up must be through the back parking lot door.

Please call the camp office if someone other than a parent or guardian will pick your child up from camp. Timely drop-off and prompt pick-up (no more than 10 minutes early or late) are imperative. A more detailed memo regarding drop-off and pick-up procedures will be emailed to you in June before the program begins.

- **Parking:** Parking is available on the streets surrounding South Orange Middle School and in the parking lot behind the building. For reasons of safety and supervision all children must enter the school from the rear parking lot door.
- **Absences:** Please call us the day before, or after 8:15 a.m. on any day your child will be absent or late. We will provide direct phone numbers to the camp office in an email we send to families in June.
- **Payment:** Visa, MasterCard or checks payable to The Adult School Children's Summer Program. Mail completed registration form(s) with payment to: The Adult School, Children's Summer Program, 17 Parker Ave., Maplewood, NJ 07040. A returned check results in a \$20 fee.
- **Federal Tax ID No. 22-6065346**
- **Refunds:** There are absolutely no refunds after June 24 for Session I or after July 8 for Session II. After those dates, changes may be made but you will forfeit the original course fee and will be charged the regular course fee for the new class(es). Cancellations and changes on or before June 24 (Session I) and on or before July 8 (Session II) will be assessed a charge of \$10 per course per session. **Uncooperative children will be removed from the program without refund.**
- **Eligibility:** The camp is open to students entering Grades \*1-12. (\*Children must be 6 years old by Oct. 31, 2013).
- **Scholarships:** A limited number of need-based scholarships are available through the Don Hamingson Endowment Fund. Call (973) 378-7620 to apply. Applications must be returned by May 24. We are happy to accept donations to this fund.
- **Special Needs:** If your child has special needs, disabilities, or sensitivities we should know about, please let us know in advance by calling 973-378-7620. It is important that we have this information before the start of camp. The Adult School is an independent entity, separate and distinct from the South Orange Maplewood School District, with no access to student records.
- **Medical Conditions & Allergies:** Please visit the nurse's office on the first day of camp to inform our full-time camp nurse if your child has a food allergy or medical condition and to drop off any necessary medication. Staff nurse is at South Orange Middle School, not at off-site Sports Camps. If your child has an allergy or medical condition and will be attending a Sports Camp, please let us know by calling 973-378-7620 before the start of camp.

**Sports Camps are open to children entering grades 1-12. ALL CHILDREN SHOULD BRING WATER AND A SNACK TO SPORTS CAMPS.**

Our staff nurse is at South Orange Middle School, not at off-site Sports Camps. If your child has an allergy or medical condition and will be attending a Sports Camp, please let us know by calling 973-378-7620 before the start of camp. Local Recreation Departments assisted in planning these camps. Children will participate in well-organized sports activities in an unpressured, enjoyable atmosphere. Off-site Sports Camp students who have afternoon classes will be bused or walked back from their camps to South Orange Middle School (except FENCING). Campers with no afternoon classes should be picked up at the camp site. If rain starts during camp hours, counselors will accompany campers to a rain site. Call the Children's Summer Program if in doubt about where to drop off or pick up your child on a rainy day.

# SUMMER CAMP CLASSES

## ACCESSORY CREATION

**\$120 Room 103. Period 3, Grades 4-9.** LUCY BRUSINI. We will hand sew and embellish accessories, including hats and gloves, with beads and sequins. Pursue your own design style through a variety of hand sewing techniques. Learn the traditional Japanese stitching technique of sashiko, as well as hand quilting, embroidery, stenciling and appliqué.

## ACTIVITY CENTER

## SCIENSATIONAL WORKSHOPS

Taught by experienced staff under the direction of NEIL SCHULMAN, SCIENSATIONAL WORKSHOPS creator.

### A: HOVER CRAFT: DESIGN YOUR OWN VEHICLE/EGG DROP CAR

**\$160 Cafeteria. 9:00-11:55am. Grades 2-6. July 1-5 only.** Use many materials to build an air-powered Hover Craft that defies gravity. You will also build an egg drop car that can cushion a raw egg when the car is dropped from a height, and a super car powered by more than one source of energy. Learn about the laws of motion, energy, air pressure, friction, lift, speed and acceleration.

### B: CHEMICAL MAGIC/MAGICAL MICROSCOPES/ROCKS AND MINERALS

**\$160 Cafeteria. 12:35-3:30pm. Grades 2-6. July 1-5 only.** Learn how to make batteries from fruits or potatoes and how to make a fantastic crystal tree. Be a chemical detective and use paper chromatography to separate colors. Make glob from glue or make dirty pennies clean, and clean pennies green. You'll learn about rocks and minerals, and microscopes will be on hand to view fascinating prepared slides.

### C: PROSPECTORS' MYSTERY ROCK

**\$160 Cafeteria. 9:00-11:55am. Grades 2-6. July 8-12 only.** Be a prospector as you search for gold, valuable gems, fascinating rocks, and some ancient fossils. You will be equipped with excavation tools, a specimen brush, a log book, and sorting labels. You can keep the hidden wonders that you find, but first you'll have to get them out of their hard clay casing. Next you'll identify your specimen, observing its color, texture, and ability to float. Rock? Gem? Fossil? You tell us.

### D: MAKE IT AND TAKE IT HOME.

**\$160 Cafeteria. 12:35-3:30pm. Grades 1-6. July 8-12 only.** You will make and take home a wide assortment of toys designed to teach science concepts in a hands-on way. Grow and take home a crystal tree, make an energy bead bracelet, or build a working motor. Make bubbling blobs and explore the properties of a density tube. We'll also make ice cream in a Sciensational way!

### E: MAGNETIC LEVITATION FOR FUTURE TRANSPORTATION

**\$160 Cafeteria. 12:35-3:30pm. Grades 2-6. July 15-19 only.** Build your own futuristic Maglev (magnetism/electricity/levitation) car to race and take home. Learn about the relationship between magnetism and electricity. You will also get to build a simple Maglev track and a cool electromagnet. In the process you'll learn how motors and generators work.

### F: CAN YOU DIG IT? FOSSIL HUNT

**\$160 Cafeteria. 12:35-3:30pm. Grades 2-6. July 22-26 only.** Students will take part in a simulated fossil excavation, uncovering the different bones of a dinosaur. They will then assemble the bones to form a completed 3-dimensional dinosaur to be taken home. Students will also make a plaster fossil and identify 20-million year old sharks' teeth and other fossil replicas including a cave bear tooth, an ammonite, a Tyrannosaurus Rex tooth and a dinosaur egg.

## MUSIC CLASSES
