

A Winter Day in Germany German Weihnachtsmarkt ~ Historic Castle Inn

One Day Tour ~ Sunday, December 5, 2021

Step into a crisp day of German culture right here in New Jersey! Our first stop, a castle! While not a typical castle you'll find along the Rhine in Germany, the Historic Castle Inn is the last great resort built in Delaware Water Gap. Built in the era of the Titanic and Henry Ford's Model T, the Castle Inn was home for thousands of guests, John Phillip Sousa, Madison Square Garden boxers in training and socialites of New York City and Philadelphia. Our guided tour here will take us back in time to 1906 as we learn of its interesting history. Off to a German inspired lunch (included) at Krogh's Brew Pub housed in a unique building with old world charm. Here we'll share in some comfort food and raise a pint to toast the rest of our German day. Sparkling Christmas lights and holiday music reaching across from every corner awaits at the German Christmas Market where we'll be surrounded by decorated trees, authentic festive foods and vendors offering their trade to brighten your holiday season. Not only can you find that perfect, unique gift but also all profits are donated back to into the community. What a great way to give in many ways! © 2021 Group Tours & Travel
