\*For beginners, it is better to start out with lighter color yarns so it is easier to see the stitches. Steer clear of black, dark charcoal gray, deep purple, navy, etc.

\*\*All of the above yarns are available at stores like Joann Fabrics, Michael's, Walmart, Hobby Lobby, Acme, etc. and many of these stores currently have options for free curbside pick-up if you are trying to limit your exposure. I recommend starting out with cheaper and more easily washable acrylic yarn. But, if you would like to purchase a higher end yarn and support an independent business, The Blue Purl in Madison has some incredible options. Some of my favorites include Madeline Tosh yarn, Malabrigo Yarns and Manos del Uruguay.
