

## **Drawing & Painting Camp Art Supplies-**

Denise Dittmar, Summer 2020

You may substitute this suggested list with anything you have at home. I am working from Plaza Art online as well as Michaels. Another suggested source is Dick Blick- Utrecht.

### **1. Sketchbook-** good for drawing and painting

Canson XL Mixed Media- 60 pages, 98 lb paper

7 x 10" 9.36 (Plaza)

or 9 x 12" 13.64 (Plaza)

**Alternative**—Use your current sketchbook and order watercolor paper

Canson XL Watercolor Paper 9 x 12" 30 sheets 140 lb paper (Plaza)

### **2. Canvas-**

Artist Loft 7-pack 9 x 12" 10.99 (Michaels) We only need two or three canvases but price is good.

**Alternative-** Any size canvases or canvas on board you have is good. Paint over an old painting with gesso or white paint. Board or cardboard painted white or gessoed is also good. Watercolor paper is also an excellent painting surface.

### **3. Opaque Paint-** Younger students should use tempera paint— older students should try acrylic

You may use any tempera or acrylic paint you have at home instead

Aurora Washable **Tempera**, 8 oz bottles (Plaza)

Red \$2.37

Yellow "

Blue "

White "

or

Plaza Studio **Acrylics** 8 tube set, 75ml each 19.99 (Plaza)

### **4. Watercolor kits-** of course use whatever you have at home but keep them clean and make sure you can use the lid or have a plastic mixing tray. Prang is highly recommended otherwise.

Prang Watercolor Set 8 colors 6.58 (Plaza)

**6. Palette-** you may use a paper plate and throw it away after use. You may also use a plastic plate for tempera and thick paper or cardboard for acrylic) The palettes below are helpful for painting on a regular basis.

10" well plastic palette 1.19 (Plaza) Recommended for TEMPERA paint

Strathmore 300 Series Palette Paper 9 x 12" 7.16 (Plaza) Recommended for ACRYLIC paint

**7. Drawing Materials-** use what you have at home and/or supplement with this list (all from Plaza)
